

Think Pink Crop for the Cure Vendor Application Agreement

Thank you for your interest in becoming a Vendor for our Think Pink Crop for the Cure. This agreement is designed to answer some questions about the event and inform you of all the details.

Do NOT send your payment with this form. I only allow a set number of vendors for each event, on a first-come-first-served basis. Once you are approved as a vendor, I will send you a promo code you can use to access the Vendor ticket options.

In return for your \$40 Vendor fee and the product donation (see below), you will be given access to our Vendor Showcase rooms in our private Facebook group. It will also entitle you to participate in any games, auctions, raffles and other activities, as well as the main video conference for the crop.

Vendors are also asked to provide a product donation, valued at \$25 before shipping and taxes, for our auctions and raffles. If possible, let us know what you will be donating and the retail value (before taxes and fees) when you pay your invoice so we can plan accordingly. Due to the nature of this year's event, all donations MUST be received no later than July 3. Since we will not be meeting in person, we will be using RallyUp to manage our raffles and auctions. We work very hard to plan out our contests, games, raffles and auctions. If we have not heard from you or received your registration or donation in a timely manner, you will NOT be allowed to vendor at future Crafty Neighbor events.

Vendors are encouraged to join the Facebook group as soon as you receive the link to do so. By establishing your presence in the group, you will help to get the participants motivated to shop and participate. Feel free to open a "Room", which will be your Vendor Showcase. You may also add photo albums to list and promote your products.

During the live event, you should try to stay active as much as possible. You can post in the Facebook group, open your Vendor Showcase Room, run specials, do demos, or just chat and craft in the main group.

Are you interested in leading a Make-n-Take? We would love to have lots of activities going on throughout the weekend, so if you would like to run a Make-n-Take, please let us know.

If you have any questions, please feel free to email or call Cindy Murray at 972-965-2606 or thinkpink@craftyneighbor.com

I _____ agree to the above-stated terms as a condition of my participation in the Crafty Neighbor Think Pink Crop for the Cure. Further, I hold Cindy Murray and Crafty Neighbor et. al. blameless in any accident or personal injury to myself or others as a result of my participation in this event.

I understand that my name, picture, voice, or likeness, and information related to my participation in this event may be used for all promotional purposes related to Crafty Neighbor et.al. without limitation.
